

Fall 2017 Kilgore H.S. – Band Section Leaders

- Section leaders are chosen to help motivate and guide our band to the next level of success. A higher level of discipline, musicianship and respect is required of all who hold these positions.
- Section Leaders and Drum Majors will meet Monday, July 24 for a full day of training camp to prepare for the full band joining on Tuesday, July 25.
- Larger sections might have more than one leader. Co-Section leaders work with each other to establish a cohesive approach to working with the section.
