Please review this calendar and make necessary arrangements for Summer Camp. It is usually HOT and HUMID; please prepare by eating properly and staying hydrated. Gatorade and water will be provided daily throughout rehearsals. All H.S. Band students are required to attend camp. Football players will join us in our afternoon rehearsals. It is during these summer weeks that we learn/review marching fundamentals, learn all Fall season music and begin building our UIL Contest Drill. This is a UIL Area advancement year for 4A Bands and we are striving for a superior marching Season! 110% from everyone will get us there.
